**#GEMTECH25**

## ABOUT THE EVENT

Building on the tremendous success of the inaugural edition, the 2nd Edition of the GEMTECH Forum will take place at the Arena Riyadh Venue, Saudi Arabia, from 13–14 May 2025.

The GEMTECH Forum is set to once again offer an exceptional platform for fostering collaboration and driving knowledge exchange by uniting regional and international stakeholders, including policymakers, government entities, industry leaders, businesses, and startups.

The forum will serve as a dynamic space to discuss and explore the future of mobility and logistics, with a special focus on Saudi Arabia's strategic position in the global landscape. As the Kingdom continues its ambitious transformation, the event will delve into how the industry is being shaped through groundbreaking innovations, infrastructure development, and forward-thinking policies. The 2-day event will feature a dedicated exhibition space and a content-rich conference where attendees will be able to showcase and gain first-hand knowledge of how the future of mobility is going to revolutionise the way people and goods move.

The event will also host a dedicated Mobility Business Connect and Startup Acceleration Programme where upcoming startups & entrepreneurs will have an exclusive chance to network and pitch their ideas in
